# INDIA'S MARITIME INDUSTRY

The Indian maritime sector plays a pivotal role in the economic growth of India. With a vast coastline of more than 7,500 km, India is among the largest maritime countries in the world. Being a part of the world's busiest trade route elevates the economic prominence of India's maritime sector. About 95% of India's foreign trade and 70% of its value takes place through seaways

Today, India is home to 12 major ports, over 200 ports other than major ports, 28 shipyards and a comprehensive hub of diverse maritime service providers.

## Ports

- ▲ 2500+ MTPA of port capacity
- ▲ Capacity Addition of 230 MTPA in last 9 years
- ▲ Impressive TAT of upto 0.9 days (JNPA) - ahead of many leading maritime nations
- ▲ Enhancing competitiveness – 54% of cargo at major ports is handled by private ports. INR 40,000 crore worth PPP projects operationalized
- ▲ Operating sustainability - Over 100 MW of wind and solar power capacity at major ports

## Shipping

- ▲ INR 3,500 – 4,000 Cr (USD 500 million) of ship repair industry
- ▲ 20th largest ship building sector globally with rapid capability expansion
- ▲ 2nd largest in global ship recycling
- ▲ Top 5 in trained manpower

## Waterways

- ▲ 23 operational national waterways
- ▲ Rapid expansion in the last 5 years in cargo volumes at 15% CAGR

## Lighthouses

- ▲ 203 lighthouses and 1 lightship
- ▲ 75 lighthouses earmarked for development of tourism on PPP mode
- ▲ 23 DGPS (16 upgraded to DGNSS)
- ▲ 64 Radar beacons
- ▲ National AIS network of 87 physical shore stations

**FY 2023 WITNESSED  
USD 800 BILLION  
OF INTERNATIONAL  
TRADE THROUGH  
INDIAN SEAPORTS**

# GMIS 2023 OVERVIEW

Global Maritime India Summit (GMIS) 2023 is a flagship event aimed at propelling the Indian maritime economy by promoting global and regional partnerships and facilitating investments.

It is a strategic meet of the Indian and international maritime community to address key industry issues and exchange ideas to bring the sector forward. Driven by the Ministry of Ports, Shipping and Waterways, GMIS 2023 brings together global maritime players, policy makers and regulators, key opinion leaders and industry leaders through series of engaging dialogues, forums and knowledge exchange platforms.

The event includes an investor summit and an international exhibition to facilitate interaction and collaboration among the Indian and international maritime companies, policy makers, investors, and other stakeholders.

In order to encourage dialogue and cooperation among key industry leaders, the event features a Global CEO's Forum. Further, to recognize partners that have made outstanding contributions to India's development as a leading maritime centre, the event will host Maritime Excellence Achievers ceremony.

The 3-day event will be inaugurated by the Hon'ble Prime Minister of India and expected to be attended by the globally renowned industry players.
