

In reference to the 159<sup>th</sup> International Training Programme on Performance Audit, conducted by International Centre for Information and Audit (iCISA), Noida, Uttar Pradesh (India) for the period from 11.03.2024 to 05.04.2024. My feedbacks are as follows:

1. Accommodations and transportation are excellent.
2. The facilities in International Centre for Information and Audit (iCISA), Noida, Uttar Pradesh are amazing.
3. Excellent training officers and hostel staff (very helpful as well).
4. Preferable the course is not during Ramadan month, it is very tiring with full schedule – classes, study tour and site visits.
5. Would be much better if there are more varieties of international foods.
6. More trainings for analytical tools – I think that 2 sessions for every analytical tool are barely enough because I think the tool are very beneficial.
